1. In connection with the re-grouping of the Secretariat, it is necessary to notify the appointment of Mr. R. Ranga Rao as General Secretary and of Mr. C. Ranganatha Rao Sahib as Secretary, Development Departments. A draft Notification is herewith submitted for approval.

2. As regards the posting of officers, the disadvantage of having one Secretariat officer subordinate to more than one Secretary will have to be avoided as far as possible. The following arrangements are therefore suggested.

3. Under the revised distribution of work recently ordered, the Revenue Department has been assigned to the Chief Secretary and the Muzrai Department to the Financial Secretary. As these two Secretaries have got very heavy work to do, it is necessary to give them some relief and place the Revenue and the Muzrai Branches under the Under Secretary so that important cases of these branches may be - - thoroughly scrutinised by a senior officer who may also submit papers direct to the Members in all ordinary matters. The Under Secretary will also help the Chief Secretary in disposing of all questions relating to Office discipline and routine. All such papers should be sent to him in the first instance, routine cases being disposed of by him, important cases being submitted to the Chief Secretary.

4 Education and Central Recruitment Board will be under the Assistant Secretary, Education.

5 "Posts and Telegraphs" section of the I. & C. Branch and the "Excise" section of the Financial Branch may be transferred to the General Branch as these two sections are under the control of the General Secretary.

6 Mr. Navaneetham Naidu who is now in charge of the Revenue Branch may be placed in charge of the General Branch. As his work will be comparatively light, he will also - assist the General Secretary in the work of the Legislative Council and the Representativ Assembly.

7 Mr. Vedavyasachar who is now in charge of the I. & C. and Agricultural Branch will be Assistant Secretary, Development Departments.

In regard to Economic Conference work, Mr. Deva Rao, Chief Reporter, who is also Assistant to the Secretary, Representative Assembly, Legislative Council and Economic Conference, in addition to his work of reporting the proceedings of the R.A., L.C. etc. may continue to assist the Secretary, Economic Conference in Economic Conference work. If this arrangement is found unsuitable, I shall suggest other arrangements later on for giving the Secretary, Economic Conference, a little

extra help. It is possible to transfer some of the routine work connected with the R.A. and L.C. to the Registrar and give some relief to the General Secretary.

The L. & L. Secretary has got two Assistants and this does not require any - change.

The Financial Secretary has also his own Assistant for financial work.

Thus excepting in the case of the Under Secretary who has to attend to Revenue Muzrai papers, each Sectt. is complete and each branch will have a separate Assistant Secretary.
